

<b>Appendix 4 - Full list of proposals discussed by the EMGO<sup>+</sup> Science Committee in 2013</b>							
<b>Date submission</b>	<b>Title</b>	<b>Research program</b>	<b>Proposer</b>	<b>Department</b>	<b>Judgement Science Committee</b>	<b>2nd Judgement Science Committee</b>	<b>Final decision</b>
14-1-2013	Pilot studie naar de haalbaarheid en bruikbaarheid van Moodbuster-Light, een online zelfhulpprogramma voor de preventie en behandeling van volwassenen met milde tot matige depressieve klachten	MH	Warmerdam, L.	FPP Clinical Psychology	Positive, with recommendations for improvement		Yes
15-1-2013	Social information processing skills in youth with mild to borderline intelligence: the development of a diagnostic instrument	MH	Rest, M.M. van	FPP Orthopedagogy	Positive, with recommendations for improvement		Yes
21-1-2013	Effectivity of sterile water injections in reducing low pain during labour	QoC	Mannien, J.	Midwifery science	Positive, with recommendations for improvement		Yes
23-1-2013	Supervision and regulation of care chains en care networks for vulnerable people of 75 years and older who live at home	QoC	Merten, H.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
24-1-2013	Prognosis and perpetuating factors of Medically Unexplained Physical Symptoms (MUPS): a prospective cohort study	MH	Dessel, N. van	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes
30-1-2013	Prevention of coercion with Family Group Conferences	QoC	Widdershoven, G.A.M.	Medical Humanities	Positive, possibly with recommendations for improvement		Yes
30-1-2013	Burgerregie in de wijk / Citizen involvement in the community	QoC	Baur, V.E.	Medical Humanities	Positive, possibly with recommendations for improvement		Yes
31-1-2013	A shared research agenda for bipolar disorders (Gedeelde onderzoeksagenda voor bipolaire stoornissen)	MH	Kupka, R.W.	Psychiatry - GGZ inGeest	Positive, with recommendations for improvement		Yes
5-2-2013	Accurate prediction of hearing help seeking and hearing aid uptake: Do new predictors and subgroup effects hold the key to success?	QoC	Pronk, M.	Otolaryngology, Head & Neck Surgery	Positive, possibly with recommendations for improvement		Yes
13-2-2013	A patient and professional based multimedial campaign as innovative implementation strategy to improve low back pain guideline adherence. A cost-effectiveness evaluation.	MSH	Schaafsma, F.G.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
26-2-2013	Physical activity, sitting and cognition: a pilot study	LOD	Altenburg, T.M.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes

6-3-2013	Bright light treatment for better mood and metabolic control: a randomised double-blind placebo-controlled clinical trial in patients with Type 2 Diabetes Mellitus and Major Depressive Disorder	MH	Bremmer, M.A.	Psychiatry	Positive, possibly with recommendations for improvement		Yes
12-3-2013	A multi-centre international study exploring the patients definition of recovery from Complex Regional Pain Syndrome	MSH	Perez, R.S.G.M.	Anesthesiology	Positive, possibly with recommendations for improvement		Yes
21-3-2013	Evaluation of the implementation effectiveness of the Versterk je Enkel App to prevent recurrent ankle sprains; Injury prevention in your pocket?!	MSH	Verhagen, E.A.L.M.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
21-3-2013	Schoolzones - Stimulating sports and physical activity in children through a safe school environment	LOD	Verhagen, E.A.L.M.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
26-3-2013	Skills Training and Re-skilling for carers of people with dementia	QoC	Meiland, F.J.M.	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes
27-3-2013	Guideline-concordant care instead of the non-curative use of absorbent products in women aged 55 years and over with urinary incontinence	LOD	Jansen, A.P.D.	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes
8-4-2013	Identification and treatment of early symptoms of severe mental illness in youth	MH	El Bouhaddani, S	Psychiatry	Positive, possibly with recommendations for improvement		Yes
15-4-2013	Autism and work: looking for success factors	MH	Wierda, M.	FPP Developmental Psychology	Negative, can be resubmitted		No
16-4-2013	Patients with moderate renal failure in the picture. Research on critical moments, needs and fitting care and support	QoC	Schipper, K.	Medical Humanities	Positive, possibly with recommendations for improvement		Yes
17-4-2013	Considered reduce of the use of restraint in care for people with intellectual disabilities	MH	Schippers, B.	FPP Orthopedagogy	Positive, possibly with recommendations for improvement		Yes
18-4-2013	Onderzoek naar het voorkomen van Diabetes	LOD	Baarendse, P.J.J.	FPP Developmental Psychology	Positive, possibly with recommendations for improvement		Yes
22-4-2013	Mobilising the potential of active ageing in Europe; Work Package 5 (WP5): Health and Well-being	QoC	Deeg, D.J.H.	Psychiatry; Epidemiology & Biostatistics	Positive, possibly with recommendations for improvement		Yes
23-4-2013	Testproject voor demo	QoC	Boer, M. de	FALW Health Sciences	Positive, possibly with recommendations for improvement		Yes

23-4-2013	MDT evaluation and stability tests in patients with low back pain	MSH	Ostelo, R.W.J.G.	FALW Health Sciences; Epidemiology & Biostatistics	Positive, possibly with recommendations for improvement		Yes
1-5-2013	Identification of the role of trauma in developing psychosis: : a cross-sectional study	MH	Gaag, M. van der	FPP Clinical Psychology	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
7-5-2013	Childhood abuse and late-life depression	MH	Comijs, H.C.	Psychiatry - GGZ inGeest	Positive, possibly with recommendations for improvement		Yes
15-5-2013	Meaning of Sport in times of health and illness	QoC	Abma, T.A.	Medical Humanities	Positive, possibly with recommendations for improvement		Yes
15-5-2013	Klinische inspanningsanalyse bij kinderen en jongeren met een spastische aandoening; invloed op participatie en loopproblemen	MSH	Dallmeijer, A.J.	Rehabilitation Medicine	Positive, possibly with recommendations for improvement		Yes
22-5-2013	Translating and validating the Care Transitions Measure: a study protocol	QoC	Wulp, I. van der	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
28-5-2013	Listening effort in the European Population (LISTEN)	QoC	Kramer, S.E.	Otolaryngology, Head & Neck Surgery	Positive, possibly with recommendations for improvement		Yes
29-5-2013	Prediction of motor skills of toddlers on the basis of the Dutch Developmental Score (Predictie motorische vaardigheid op kleuterleeftijd op basis van het Van Wiechen (ontwikkelings-)schema)	QoC	Kroon, M.L.A. de	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
3-6-2013	Prevalence and diagnostics of pain in dementia	QoC	Scherder, E.J.A.	FPP Clinical Neuropsychology	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
5-6-2013	The (cost) effectiveness of an online intervention (MamaKits) for pregnant women with mild affective symptoms: a randomised controlled trial	MH	Honig, A.	Psychiatry	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
6-6-2013	Bottom-up innovation; The effectiveness of a participatory, primary preventive organizational level intervention on work-related stress and well-being for workers in Dutch vocational education	MH	Schellevis, R.M.C.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
12-6-2013	Teenage mothers in West-Friesland: Care necessary to empower teenage mothers in the interests of their own health and the health of their child	QoC	Kroon, M.L.A. de	Public & Occupational Health	Negative, can be resubmitted		No
17-6-2013	Safe sex and condom use by adolescents in northern North Holland	QoC	Kroon, M.L.A. de	Public & Occupational Health	Negative, can be resubmitted		No

18-6-2013	Terugvalpreventie bij depressie en angst: hoe zorgen we dat meer patiënten van dit aanbod gebruik gaan maken?	MH	Scholten, W.	Psychiatry - GGZ inGeest	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
19-6-2013	The role of central reward and satiety centers in the etiology of obesity: genetic and environmental influences	LOD	Doornweerd, S.	Internal Medicine	Positive, possibly with recommendations for improvement		Yes
20-6-2013	Developing a training module for psychiatrists dealing with requests for physician assisted suicide of psychiatric patients in the Netherlands	QoC	Widdershoven, G.A.M.	Medical Humanities	Positive, possibly with recommendations for improvement		Yes
25-6-2013	Consultation regarding long lasting coercion and restraint in psychiatry	MH	Landeweer, E.G.M.	Medical Humanities	Negative, can be resubmitted	Negative	No
27-6-2013	The efficacy of outreaching coordinated multidisciplinary care for Huntington's disease patients. Is it feasible to measure quality of life, functional outcome and cost effectiveness in this patient group?	QoC	Veenhuizen, R.B.	General Practice & Elderly Care Medicine	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
9-7-2013	Discourses among third year medical students about health care for undocumented patients	QoC	Verdonk, P.	Medical Humanities	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
9-7-2013	Pregnancy And Infancy Reduced Stress (PAIRS) study. Less stress for pregnant women through HRV-biofeedback and/or psycho-education	MH	Zwan, J.E. van der	FPP Developmental Psychology	Positive, possibly with recommendations for improvement		Yes
11-7-2013	DSD-Life: Clinical European study on the outcome of surgical and hormonal therapy and psychological intervention in disorders of sex development (DSD)	MH	Vries, A.L.C. de	Pediatrics - Child & Adolescent Psychiatry	Positive, possibly with recommendations for improvement		Yes
15-7-2013	HypoBewust: A combined group and online educational program for diabetes patients with hypoglycemia. A cost-effectiveness Randomized Controlled Trial	LOD	Rondags, S.M.P.A.	Medical Psychology	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
24-7-2013	Proactive and integrated care for patients at risk for persistent medically unexplained physical symptoms: panel management and population care in primary care	QoC	Numans, M.E.	General Practice & Elderly Care Medicine	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
29-7-2013	The neuropsychiatric and personality profile of MS patients: its determinants and impact on daily life functioning. An extension of the FUPROMS study	MH	Werf, M. van der	Rehabilitation Medicine	Positive, possibly with recommendations for improvement		Yes

30-7-2013	Targeted preconception genetic carrier testing: further development and evaluation of services in high-risk groups (POM Study)	QoC	Henneman, L.	Clinical Genetics	Positive, possibly with recommendations for improvement		Yes
31-7-2013	Primary schoolchildrens perspectives of their physical school environment	LOD	Altenburg, T.M.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
5-8-2013	Bringing the field of psychiatry forward: Unraveling heterogeneity of depression (HETODEP)	MH	Lamers, F.	Psychiatry - GGZ inGeest	Positive, possibly with recommendations for improvement		Yes
6-8-2013	Supporting informal caregivers involved in end-of-life care for frail and chronically ill older people	QoC	Boogaard, J.A.	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes
6-8-2013	Running for health: the net health effect of running	MSH	Verhagen, E.A.L.M.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
12-8-2013	The IUGR risk selection (IRIS) study	QoC	Jonge, J. de	Midwifery science	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
12-8-2013	Neonatal screening in the Netherlands: a historical-comparative and policy perspective	QoC	El, C.G. van	Clinical Genetics	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
14-8-2013	Validation of the PROMIS Item Bank Physical Functioning and development of a Computer Adaptive Test for use in the Physiotherapy setting	MSH	Terwee, C.B.	Epidemiology & Biostatistics	Positive, possibly with recommendations for improvement		Yes
19-8-2013	Medication Management at the End of Life	MSH	Arevalo Romero, J.	Anesthesiology	Positive, possibly with recommendations for improvement		Yes
19-8-2013	STRESS PREVENTION@WORK Collaborative learning and information technology as the key to an integral stress prevention for sectors, organisations and employees	MH	Boot, C.R.L.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
19-8-2013	Development and Evaluation of Blended Care for Depression	MH	Wiersma, J.	Psychiatry - GGZ inGeest	Positive, possibly with recommendations for improvement		Yes
20-8-2013	Proof of principal: Unraveling the role of Apolipoprotein-E in Alzheimers disease	MH	Exel, E. van	Psychiatry	Positive, possibly with recommendations for improvement		Yes
20-8-2013	The effect of UVB irradiation compared with oral vitamin D supplementation on vitamin D serum levels, well-being and quality of life in psycho-geriatric nursing home residents in the Netherlands	MSH	Chel, V.G.M.	General Practice & Elderly Care Medicine	Negative, can be resubmitted		No

20-8-2013	A Core Outcome Set for Low Back Pain	MSH	Ostelo, R.W.J.G.	FALW Health Sciences; Epidemiology & Biostatistics	Positive, possibly with recommendations for improvement		Yes
4-9-2013	Boundaries on the own control of a client: unasked interference or good care?	QoC	Frederiks, B.J.M.	Public & Occupational Health	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
9-9-2013	From evidence to practice: a study on (patient involvement in) dissemination strategies of recommendations of the European League Against Rheumatism among patient organisations and people with rheumatic and musculoskeletal diseases (RMDs)	QoC	Visse, M.A.	Medical Humanities	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
17-9-2013	Development of an integrated ICF Intake for Otology and Audiology	QoC	Kramer, S.E.	Otolaryngology, Head & Neck Surgery	Positive, possibly with recommendations for improvement		Yes
19-9-2013	The effects of parental components in a trauma focussed cognitive behavioural based therapy for children exposed to interparental violence	MH	Finkenauer, C.	FPP Orthopedagogy	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
19-9-2013	Systematische review van klinimetriche eigenschappen van computer adaptieve testen (CATs) ten opzichte van traditionele Patient Reported Outcome Measures (PROMs) voor pijn en functie	MSH	Vet, H.C.W. de	Epidemiology & Biostatistics	Positive, possibly with recommendations for improvement		Yes
26-9-2013	Importance of clinical information and cardiac risk scores in the management of patients diagnosed with NSTEMI or UA: a research proposal for a clinical vignette study	QoC	Engel, J.	Public & Occupational Health	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
2-10-2013	Virtual Reality Exposure Therapy in Psychosis	MH	Pot - Kolder, R.M.C.A.	FPP Clinical Psychology	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
3-10-2013	Evaluation Samenkracht; an evaluation of a welfare programme for community dwelling older adults of 65 years and older	QoC	Wagner, C.	Public & Occupational Health	Negative, can be resubmitted		No
7-10-2013	The effectiveness and cost-effectiveness of an integrated cardio-metabolic risk assessment and treatment program in primary care: the INTEGRATE study	QoC	Schellevis, F.G.	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes

7-10-2013	Adaptive implementation and validation of the positively evaluated Meeting Centers Support Programme for people with dementia and their carers in Europe (MeetingDem)	QoC	Dröes, R.M.	Psychiatry	Positive, possibly with recommendations for improvement		Yes
8-10-2013	De effectiviteit van Non-Violent Resistance in de (semi)residentiële setting voor jeugdigen	MH	Gink, K. van	Psychiatry	Positive, possibly with recommendations for improvement		Yes
14-10-2013	Adequate care at the end of life	QoC	Onwuteaka-Philipsen, B.D.	Public & Occupational Health	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
22-10-2013	Cultural sensitive adaptation of Diabetergestemd.nl for Turkish men and women with diabetes and comorbid depression	LOD	Wit, M. de	Medical Psychology	Positive, possibly with recommendations for improvement		Yes
23-10-2013	The clients perspective with regard to coercion in care giving	QoC	Hertogh, C.M.P.M.	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes
23-10-2013	Evaluation of a multifaceted implementation strategy to improve the primary care management of patients with neck pain	MSH	Dijkers, M.F.	FALW Health Sciences	Positive, possibly with recommendations for improvement		Yes
28-10-2013	Reducing suicidal ideation among Turkish migrants in the Netherlands and in the UK: Effectiveness of an online intervention	MH	Eylem, O.	Clinical Psychology	Positive, possibly with recommendations for improvement		Yes
4-11-2013	Multiproblem Young Adults: a study on service use trajectories, neurobiological mechanisms and treatment effect in young adults with severe criminal, psychiatric and social problems	MH	Bevaart, F.	Pediatrics - Child & Adolescent Psychiatry	Positive, possibly with recommendations for improvement		Yes
5-11-2013	Improving care for sexual problems in persons with type 2 diabetes	LOD	Rutte, A.	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes
5-11-2013	Substitution of usual preoperative care by E-health & ICT: A cost-effectiveness analysis alongside a stepped wedge cluster randomized controlled trial	QoC	Anema, J.R.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes

6-11-2013	Vocal rehabilitation for severe mental illness. Knowledge synthesis and dissemination to support practice and perception (Arbeidsparticipatie van mensen met ernstige psychische aandoeningen; kennissynthese en -verspreiding ter ondersteuning van praktijk en gefundeerde beeldvorming	MH	Schaafsma, F.G.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
11-11-2013	Panel management for proactive care for patients with cardiovascular risks in multidisciplinary primary care	QoC	Oei, Mw. L.S.L.	General Practice & Elderly Care Medicine	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
13-11-2013	Resilience in old age; successful ageing despite socioeconomic adversity	QoC	Huisman, M.A.	Epidemiology & Biostatistics	Positive, possibly with recommendations for improvement		Yes
18-11-2013	Verbetering van de Amsterdamse Vragenlijst voor Auditieve Beperkingen in het nieuwe ZNindicatie protocol voor het voorschrijven van hoortoestellen	QoC	Kramer, S.E.	Otolaryngology, Head & Neck Surgery	Positive, possibly with recommendations for improvement		Yes
21-11-2013	Social innovation to improve physical activity and sedentary behaviour through elite European football clubs: European Fans in Training (EuroFIT)	LOD	Ploeg, H.P. van der	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
21-11-2013	Personality and late-life depression	MH	Comijs, H.C.	Psychiatry - GGZ inGeest	Negative, can be resubmitted		No
25-11-2013	Medication adherence in chronic myeloid leukemia and patients need for information	QoC	Boons, C.	Clinical Pharmacology & Pharmacy	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
28-11-2013	Rapid assessment of Avoidable Blindness (RAAB) Survey, Republic of Suriname	QoC	Minderhoud, J.	Ophthalmology	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
5-12-2013	PACE: Comparing the effectiveness of palliative care for elderly people in long term care facilities in Europe	QoC	Pasman, H.R.W.	Public & Occupational Health	Positive, possibly with recommendations for improvement		Yes
10-12-2013	Family, Health and Genetics. Community-based care for migrant women on consanguinity and genetics (partner choice, preconception and pre- and perinatal care	QoC	Verdonk, P.	Medical Humanities	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
10-12-2013	Care treatments and costs in the last 6 months of life	QoC	Oosterveld-Vlug, M.G.	Public & Occupational Health	Negative, can be resubmitted	Positive, possibly with recommendations for improvement	Yes
11-12-2013	Evaluation of ambulatory impedance cardiography in pediatric cardiology	QoC	Nederend, I.	FPP Biological Psychology	Positive, possibly with recommendations for improvement		Yes

11-12-2013	Speech recognition and temporal resolution in listeners with unilateral hearing loss	QoC	Bost, T.J.M.	Otolaryngology, Head & Neck Surgery	Positive, possibly with recommendations for improvement		Yes
17-12-2013	Cost-effectiveness of a short-term cognitive behavioural intervention by MH nurse practitioners for primary care patients with an undifferentiated somatoform disorder	MH	Marwijk, H.W.J van	General Practice & Elderly Care Medicine	Positive, possibly with recommendations for improvement		Yes
17-12-2013	Blended versus face-to-face Cognitive Behavioral Therapy for major depression in specialized MH care - a randomized controlled multicenter pilot trial assessing clinical and health economic outcomes	MH	Kooistra, L.C.	FPP Clinical Psychology	Negative, can be resubmitted		No
